- Think you know everything about relationships?
- Do you know how to protect yourself from getting pregnant or STDs?
- Do you believe everything you see in movies or on TV is how it really is in life?
- Can you really trust everything you find on the internet or read in a magazine?
- Do your friends think they have all the answers?

## **Get the 411!!**

There is a big gap between what teens think they know and what the answers really are. So, if you're relying on friends to help you make decisions about sex, you may not be getting the best information.

**Choices about sex are some of the most important you'll ever make.** Without knowing all the facts, it's hard to make the right choices. But, sometimes, knowing the facts doesn't mean you understand them. Call us. We'll explain them.

In 2004, Tennessee had 184 girls under 15 years of age who had babies. Five were only 12 years old!!!! Are you ready to be a parent?
